

Associates

Dr. Kalin is pleased to work in collaboration with the following professionals.

Susan M. Lund, Ph.D.

Susan M. Lund is a consultant specializing in organizational change, education strategy, and customer loyalty. Her experience ranges from providing state of the art education on the latest technologies for a medical device company, to VP at a national bank in charge of the human resource department.

Dr. Lund holds an M. A. in organizational communication and a Ph.D. in educational psychology.

Bill Handschin, Ph.D., LP

Bill has more than 25 years of experience in management consulting. He blends his knowledge of psychology with a strong technical background. With his unique combination of advanced education and practical work experience in both psychology and the hard sciences, Bill is qualified to consult with high tech and manufacturing companies.

Cindy Schultz, M.A., LP

With more than 20 years of experience in assessment and development, Cindy is adept at helping businesses select, retain and cultivate their best people. In addition, she has a deep understanding of getting employees to understand limiting beliefs they may have of themselves, thus helping them to attain a more fulfilling life. Not only is she a licensed psychologist, but also she has a Master's degree in Educational Psychology, is an ordained minister and an employee assistance provider.
